★ Crushed Ice

See below to make your own.

★ Paper Cones or Cups

PREPARATION: (serves 4)

MIX 1/4 cup juice concentrate with 1/2 cup water into a cup. Repeat for each flavor.

FILL 4 paper cones, cups or small bowls with crushed ice.

POUR 1–3 tablespoons of each juice flavor over crushed ice.

SERVE with a spoon and straw.

MAKING CRUSHED ICE: *Adult supervision required*

1» Put ice in a heavy duty ziploc bag. **2**» Cover bag with a dishtowel.

3» Use a rolling pin or wooden mallet to crush the ice.

Empty crushed ice into a large bowl for use and repeat until desired quantity is reached.

Other methods of crushing ice may be used.
